

Liquidambar Lane Woden Cemetery

Located in Woden Cemetery is our picturesque Liquidambar Lane. This area features allotments for the interment of loved one's ashes in a polished granite receptacle which is sealed with a bronze plaque.

Price: includes the allotment, the interment and plaque, and a one-off maintenance fee (in perpetuity).

Process: Prior to an interment taking place, Canberra Cemeteries requires the completed Application for Exclusive Right of Allotment form and a copy of the Death Certificate. Interments can take place 7 days of the week. Please contact our office.

As the plaque forms the seal on these special allotments it is necessary that interments take place after the plaque has been forged.

Upon receiving the completed plaque application form, Canberra Cemeteries will request the plaque proof, which is then sent to the Exclusive Rights holder (ERH)* for review. The plaque proof will need to be approved and returned to Canberra Cemeteries before the plaque can be ordered. The approximate timeframe for delivery and installation is 4-6 weeks from the day the plaque is ordered. The ERH will be notified when the plaque has been installed. A ceramic photo can be placed on the plaque and it is preferable that the ceramic photo is organised at the time of the plaque proof so that provision is made in the plaque text to accommodate the ceramic photo. There is an additional cost for a ceramic photo.

Please note that only fresh flowers are permitted in Liquidambar Lane and that any other items may be removed by Woden Cemetery Staff.

*The Exclusive Rights Holder of the Allotment is the person(s) who completes the Application for Exclusive Right of Allotment form prior to the burial occurring or at the time of the allotment purchase. They become the sole authority on any future matters regarding the allotment, including burials and memorialisation.
